Tracing practice for the number 1. The first row shows a vertical line with a downward arrow and a starting dot. The second row shows a dashed vertical line with a starting dot. The rest of the grid is empty for practice.

Tracing practice for the number 2. The first row shows a '2' with arrows indicating the stroke order: a counter-clockwise curve for the top and a vertical line down for the stem. The second row shows a dashed '2' with starting dots. The rest of the grid is empty for practice.

Tracing practice for the number 3. The first row shows a '3' with arrows indicating the stroke order: a counter-clockwise curve for the top and another counter-clockwise curve for the bottom. The second row shows a dashed '3' with starting dots. The rest of the grid is empty for practice.

Tracing practice for the number 4. The first row shows a '4' with arrows indicating the stroke order: a vertical line down, a horizontal line across, and a diagonal line down from the top-right to the middle of the horizontal line. The second row shows a dashed '4' with starting dots. The rest of the grid is empty for practice.

Tracing practice for the number 5. The first row shows a '5' with arrows indicating the stroke order: a vertical line down, a horizontal line across, and a curved line starting from the middle of the horizontal line, going up and then down. The second row shows a dashed '5' with starting dots. The rest of the grid is empty for practice.
